Subject:- Appointment of temporary
Deputy Engineers.

~~Subject~~ Reference: Your letter No. G. II/B.S.E./7252, dated the 3rd March, 1950, addressed to Shri P.R. Ballubbi, temporary Deputy Engineer and No. G. II/ BDR/636, dated the 16th May 1950, addressed to Shri H.S. Singlacher, temporary Deputy Engineer.

2. In Government Letter No. 9859/36-VI-X (I), dated the 6th October 1949, Government has appointed candidates who have been recommended by ~~the~~ the Bombay Public Service Commission for appointment as temporary Deputy Engineers in the Bombay Service of Engineers Class II as temporary Deputy Engineers and allotted to several Circle in this Department. No probationary prescribed for the candidates appointed in the above-mentioned Government Letter. The pays of the persons who were already working in the Department should therefore, be fixed in the sanctioned scale in accordance with the Bombay Civil Services Rules.

Bombay, the

Public Works Department,
Bombay.

Subject:- Appointment of temporary Deputy engineers.

Sir,

I am to refer to Govt. P.W.D. letter No. 9859/36-PW
P(1) dt. the 6th June, 1950 on the above subject, mentioned above
and ~~text~~ state that, in fixing the initial pay as Deputy ~~engineer~~
engineer of outsiders as well as of those promoted from the subordi-
nate services, the following principle has hitherto been followed
by this office.

The outsiders as well as those of the subordinate ~~service~~
service who do not hold substantively any permanent posts of
overseers are treated as 'direct recruits' on their appointment as
as temporary Dy. engineers and allowed a fixed pay of Rs. 200/-
prescribed for probationers even though no probationary period is
prescribed for them, while those who hold substantive ~~appointments~~
appointments as overseers have their pay fixed in accordance with
the B.C.S. Rs.

Accordingly, M/s Bellubhi and Singleshar, who were not
holding a lien any post in Govt. service were considered by this
office as 'direct recruits' on their appointment as 'temporary
Deputy Engineers'.

Since Govt. have decided, in the case of similar officer
officers of the Bombay Agriculture Service, that any person who
has been ~~appointed~~ appointed from a lower service to a higher
service is a promotee irrespective of whether he holds a
substantive appointment in the lower service or not, vide Govt.
Agriculture and Forest Deptt. letter No. 1515/17325-dt. 3/5/49
received through the P.D. under P.D. Endorsement No. 6353/3801-
I dt. 30/6/50, it is considered that similar uniform treatment ~~it~~
will have to be accorded to the officers of the above categories of
the B.C.S. also in fixing their initial pays. In order, however,
that this office may experience no difficulty in regularising the
pays of such officers, it is presumed that such appointments will

be designated by Govt. as 'officiating appointments' and not appointments 'on probation' or appointments as 'temporary deputy engineers' and that, when appointments are designated as 'officiating' appointments, it will be clear that the intention of Government is to ignore the probationary stages and to grant such officers pay at the minimum of the regular time scale, the question of giving pay at any probationary stage arising only when an officer is specifically stated to be appointed 'on probation'. It may be pointed here that under the existing rules, appointments 'on probation' can be ~~made~~ made only in clear permanent vacant posts while a number of temporary posts have been created and appointments are made by Govt. to their posts by direct recruitment. As these posts are 'temporary' Govt. cannot obviously make these appointments 'on probation' and the result will be that Govt. will have to bear extra cost due to their being started on ~~Rs. 220/-~~ Rs. 220/- instead of Rs. 200/- Govt. may consider this aspect of the case also.

Meanwhile M/s Singla Char, Bellubbi and ~~the~~ other temporary Deputy engineers mentioned in the Govt. letter referred to above ~~are~~ are being authorised to draw the minimum of the time scale as desired by Government.

yours faithfully,

Sd/ P.D. Malik

E.B.(I).

The A.G., Bombay, states that the tempy. Dy. Engrs., who do not hold substantively any permanent posts of Overseers have been treated as "direct recruits" on their apptt. as tempy. Dy. Engrs. and allowed a fixed pay of Rs.200/- p.m. prescribed for probationers though no probationary period was prescribed for them, while those who hold substantive px appts. as overseers have their pay fixed in accordance with the B.C.S. Rs. The A.G. requests that general orders ^{may} be issued similar to those issued by the A. and F.D., viz., that any person who has been appointed from a lower service to a higher service is a promotee irrespective of whether he holds a substantive apptt. in the lower service or not and that his pay may be fixed in accordance with the B.C.S. Rs.

2. ~~Explain~~ Due to expansion of the P.W.D., ~~many~~ many posts of Dy. Engrs. were created in the B.S.E. Cl. II (tempy. Cadre). and candidates directly recruited through the B.P.S.C. were appointed as tempy. Dy. Engrs. to hold them. Amongst the candidates recommended by the B.P.S.C. for apptt. as tempy. Dy. Engrs., some candidates were already working in ~~this~~ this Deptt. as tempy. Overseers. The A.G., Bombay, was requested to fix ~~the~~ the pay of such candidates in accordance with the B.C.S. ~~Rs.~~ Rs., vide G.L. No. 9859/36-VI-E dt. the 6.10.49. Those who were not working previously in this Deptt., were treated as direct recruits and were given higher starting pays and that to only those who asked for higher starting pays. No probationary period was prescribed for candidates recruited since 1/47.

3. In the circumstances, the A.G. may be informed that the pays of the x persons who were already working in the Deptt. as tempy. or permanent overseers should be fixed in accordance with the B.C.S. Rs. The persons who were not working in this Deptt. should be granted the minimum of the pay-scale, i.e., Rs.220/-p.m., if there is no specific mention of their being granted

higher starting pays or appointed "on probation".

4. The presumption made by the A.G. at 'A' of his letter is not correct. As all the persons have been recruited directly through the B.P.S.C., the appts. cannot be designated as "offg." appts. The A.G. may also be informed accordingly.

5. The papers may be shown u.o. to the P.&S.D. and the F.D.

From the proceedings within it seems that ~~Shri~~ Shriyats Ballubi and Singlachar were appointed as Dy. Engrs. by selection thro. the B.P.S.C. & not by promotion. If this is correct, it is not clear why they should not be treated as direct recruits on probation like any other fresh recruit. The portion marked 'X' of the P.W.D. note overleaf shows that there are some papers in the P.W.D. regarding Govt. decision about ~~stax~~ discontinuance of ~~kax~~ the period of probation in respect of such appointments. The P.W.D. may, therefore, be requested u.o. to put up those papers in the first instance.

P.W. Deptt.B. (I).

Submitted with refce. to the P. & S.D. note dated the 4-1-51.

2. In the years 1947-48, the B.P.S.C. recommended candidates possessing B.E. (Civil) degree for being appointed as Dy. Engrs. As these candidates were appointed in the B.S.E. Cl. II (temp. Cadre), no probationary period was prescribed for them. However from the experience about the working staff of Dy. Engrs. appointed during these two years, it was seen that they had no knowledge of P.W.D. Procedure and Rules as most of these candidates had passed out of their college course during 1944-45. It was, therefore, considered necy. that such of the candidates, who were rank "outsiders" should undergo, for a period of three months, training in P.W.D. Procedure and Accounts Rules before they were put in charge of regular Sub-Dns. Accordingly candidates selected by the B.P.S.C. in the year 1949 were given such training before they were appointed as temp. Dy. Engrs. The papers underlying this are put up below.

3. Two years probationary period has been prescribed only in respect of guaranteed appts. in the B.S.E., Cl. I and II.

2. From the P.W.D. note dated the 19-1-51, it seems that no probationary period is prescribed for candidates appointed to the posts of Dy. Engineers in the B.S.E. Class I (Temporary cadre) by ~~xxxx~~ selection through the B.P.S.C. irrespective of the fact whether the candidate was already in Govt. service or not. It is, however, not clear from the proceedings within whether such candidates recruited for the temporary cadre posts in the B.S.E. Class I & II are held eligible for appointment to guaranteed posts in the B.S.E. Classes I and II. If the ~~xxxx~~ answer to this is in the affirmative, it is not understood why there should be no probationary period for the appointments in question. The P.W.D. may be advised to consider this question in consultation with this Deptt. and ~~xxx~~ the P.D.

2. Please see P.& S.D. note dt. the 1-2-51. That Deptt. enquires whether the candidates recruited for the tempy. posts in the B. S.E. Cl. I and Cl. II are held eligible for apptt. to the guaranteed posts in the B.S.E.Cl. I and Cl. II.

3. The apptts. to the guaranteed posts were made under the guarantee given to the students from the college of Engrs., Poona, who pass in the first class the Bombay University Exam. for the degree of B.E. (Civil). Two direct apptts. were made annually to each of the two services, viz., the B.S.E. Cl. I and Cl. II. The guarantee has since been withdrawn from the year 1950. ~~xxxxxxxxxxxx~~ As these recruits were fresh from the College, two years "probationary" period was prescribed for them before they were confirmed in the B.S.E. Cl. I or Cl. II under the rules. The recruits to B.S.E. Cl. I are ~~designated~~ designated as "probationers" during both the years while those in the B.S.E. Cl. II are styled as "candidates" during the first year and as "probationers" in the second year of probation (the second year of probation only being reckoned as Govt. service).

4. The persons recruited for tempy. posts were appointed as tempy. Dy. Engrs. and Ex. Engrs. straightway for a period of ~~one~~ one year in the first instance and they have now been continued as tempy. Dy. Engrs. and Ex. Engrs. until further orders. They were not held to be eligible for apptt. to the guaranteed posts, but they are eligible for being confirmed if and when perm. vacancies to the respective posts are filled in from among those appointed in temporary capacity.

2. The P.W.D. seems to have missed the point at issue. The question for consideration is why there should not be any probationary period in ^{the} respect of ^{Ex.} Dy. Engineers or Engineers ~~first~~ ^{first} appointed to temp. posts and subsequently confirmed in the regular ~~cadres~~ cadres of the Dy. Engineers and Ex. Engineers as stated in para 4 of the P.W.D. Note dated the 2.3.51. This point was raised in the O.N. dated the 4-1-51 at page 20 ante with reference to the cases of Shriyuts Ballubi and Singlaachar who have been appointed as Dy. Engineers by selection through the B.P.S.C. as direct recruits. Direct recruit^{ment} to the General Provincial Services is made through the P.S.C. in respect of ~~posts~~ posts in other Deptts also and the usual period of probation (viz. 2 years) is prescribed in the cases of such recruits irrespective of the fact ~~whether~~ whether the post to which he is appointed is permanent or not. The question, therefore, for consideration is why no probationary period has been prescribed in similar cases in the P.W.D. and whether such probationary period should not now be prescribed for ~~the~~ the posts in question.

The P.S.D. enquires as to why no probationary period was prescribed for the candidates recruited through the B.P.S.C. to the posts of tempy. Dy. and Ex. Engrs. and whether such probationary period should not now be prescribed for the posts.

2. Please see the requisitions forms sent to the B.P.S.C. for advertising the posts ~~at Engrs.~~ of Dy. Engrs. and Ex. Engrs. It will be seen that on one occasion no probationary period was prescribed and on the other occasion a period of one year's probation was prescribed. But even in the latter case it was not enforced owing to the keen shortage of techl. personnel then prevailing. In other words, in order to obviate this shortage and with a view to coping with the heavy programme of works, ad hoc recruitment en masse was made at that time by relaxing the probationary period and other such conditions. The B.P.S.C. were informed that the persons selected ~~will~~ be maintained on a ~~separate~~ cadre on a tempy. basis and only few and selected officers will be made permanent after seeing their work and capabilities for not less than a year. Accordingly the persons recruited for tempy. posts were appointed as tempy. Dy. Engrs. and Ex. Engrs. straightway for a period of one year in the first instance and they have now been continued ~~until~~ until further orders as stated in para 4 of the O.N. dated the 2-3-51. None of them has so far been made permanent.

3. As regards Shri P.R. Ballubbi and M.S. Singlachar, it may be stated that prior to their selection by the B.P.S.C. in 1949, they were working as tempy. overseers in this Deptt. and as such they were treated as departmental candidates and no probationary period was prescribed for them. These who were not holding a tempy. or permanent posts in this Deptt. were given ~~three~~ three months' training in the P.W.D. Procedure and Accounts Rules as stated in the O.N. dated the 19-1-51.

4. Please see this Deptt. O.N. dated the 23-12-50. the P.S.D. and the F.D. may be requested kindly to agree to the

2. The P.W. D. in its note dtd the 2-4-51 has explained why no probationary period was prescribed in regard to the appointments in the B.S.E. Classes I & II. The main reason for not prescribing the probationary period was the general shortage of Technical personnel prevalent during the war period. Since no probationary period was prescribed, when Shriyuts Ballubi & ~~xx~~ Singlachar were recruited, P & S.D. may not have any objection to the P.W.D. proposal in respect of the two. Dy. Engrs. Shriyuts Ballubi & Singlachar.

3. The P.W.D. has, however, not offered any remarks on the point raised in the O.N. dtd the ~~15-3-51~~ 15-3-51 viz. ^x why the usual period of probation should not be prescribed for the posts in the B.S.E. In para. 3 of the O.N. dated the 29-12-50, it has been proposed to inform the A.G., Bombay, that the pay of the persons recruited since 1947 as ~~temp.~~ temp. Dy. Engrs., ~~and~~ who were already working in the Deptt. as temp. or permanent Overseers, should be fixed in accordance with the B.C.S. Rs. and those who were not working in this Deptt. should be granted the minimum of the pay-scale, viz. Rs. 220/- p.m., if there is no specific mention of their being granted higher starting pay or appointed "on probation".

2. Prior to their selection by the Bombay P.S.C. in 1949, Shri P. R. Ballubti and M.S. Singlachar, temp. Dy. Engrs., were working as temp. Overseers in this Deptt. ~~and~~ and no probationary period was prescribed for them. The P. & S. D. and the F.D. have agreed to this Deptt. proposal to fix the pay of the ~~above~~ above two Dy. Engrs. in accordance with the B.C.S. Rs. This is also applicable in respect of all such ~~and~~ candidates recruited as temp. Dy. Engrs. during 1947-49, who were working in at this Deptt. as temp. or permanent Overseer.

3. As stated in para. 2 of the O.N. dated the 2-4-51, during 1947-49 recruitment en masse was made ~~due to~~ due to keen shortage of technl. personnel by relaxing the probationary period even for the persons who were not previously working in this Deptt. as temp. or pt. Submitted with refce. to G.L. No. 9859/36-F(I),
dt. the 31.7.50 and the Dy. Secy.'s note underlying it.

2. Shri B.K. Sadhwani was one of the 50 candidates recommended by the B.P.S.C. in April 1949 for apptt. as tempy. Dy. Please see late Secy. (R. & B.)'s note dt. the 16.6.49, approved by the then H.N., P. W.D. while allotting these 50 candidates to several Circles and Orgns. under other Deptts., it was considered necy. that such of the candidates as were rank as "outsiders" should undergo, for a period of three months, training in "P.W.D. Procedure and Accounts Rules" before they were put in charge of regular Sub-Dns. Such candidates were accordingly posted to various Circles and S.Fs. were requested to give them all facilities to pick up the preliminary & practical knowledge of Engineering works and also the "P.W. D. Procedure and Accounts Rules."

3. Please see the statement of particulars forwarded by the B.P.S.C. in respect of Shri Sadhwani. It will be seen from there that Shri Sadhwani was working for 12 years under the Khairpur State, P.W.D., as Overseer, S.D.O. and Ex. Engr. He was, therefore, considered as an "Outsider" and posted to the S.G.C. for undergoing training for a period of three months after ascertaining his antecedents, and obtaining physical fitness certificate, ~~which is available~~ vide G.L. No. 9859/36-F(I), dt. the 18.3.50. Shri Sadhwani has not yet joined his apptt. in the S.G.C.

4. Shri Sadhwani states that the training in "P.W.D. Procedure and Accounts Rules" is not necy. in his case as he has 12 years experience in the state P.W.D. and if at all the training is considered necy., he may be posted in Bombay for the purpose.

5. In G.L. No. 9859/36-F(I), dt. the 31.7.50

Shri Sadhwani was asked to join his apptt. immediately and he was told that, if he fails to join within 15 days from the date of receipt of that letter, his apptt. as tempy. Dy. Engr. in this Deptt. will be cancelled.

6. It is for consideration

(1) Whether Shri Sadhwani may be given another chance and he may be asked to join apptt. in the ^{or} B.G.C. only;

(2) Whether his present request may be granted and he may be posted to the B.C.,

^{or}
(3) Whether the question of his apptt. as tempy.

Dy. Engr. may be dropped.

Id/-19-8-50. We may perhaps inform him that the matter has already been considered & that the previous order can not be changed. If he ^{fails} feels to join on or before 31.8.50, his appointment may be treated as cancelled.

2. On recommendation by the B.P.S.C. in 1949, Shri. P.K. Jahagirdar was appointed as tempy. Dy. Engr. and allotted to the Housing orgn. The view held by the A.G. that Shri Jahagirdar is to be treated as having been appointed to the B.S.E. CIII with effect from the date he assumed of his duties as Dy. Engr. in the Board is correct. It has been decided to maintain a common seniority list of all tempy. Dy.
